020 7936 6300

Paul Crampin is a leading junior and is instructed in a variety of serious and complex criminal matters. He has a particular expertise in organised crime and cases involving multiple defendants, with his approachability and client care being cited by clients, both lay and professional, being what makes him stand out from the crowd.

Paul's practice and reputation spans the length of the country.

He is known to be a fearless advocate, who engages people from the off, meaning he is someone whom jury's respect and warm to. He is known for his cutting cross-examination and evoking speeches which inspire admiration from the court.

Paul is known for his strategic approach to difficult and sensitive cases and has a reputation for being proactive, engaging with all parties at an early stage of a case to ensure the best possible outcome for his clients. It is for those reasons that he is often approached to represent high level professionals in matters which can have serious consequences for their career.
